Scanlated and Translated into English by Ciel411

Hello! I am a native English speaker scanlating as a hobby. I may not have native level Japanese fluency but I do my best.

I also do fansubs on Mangalator!

I choose you!

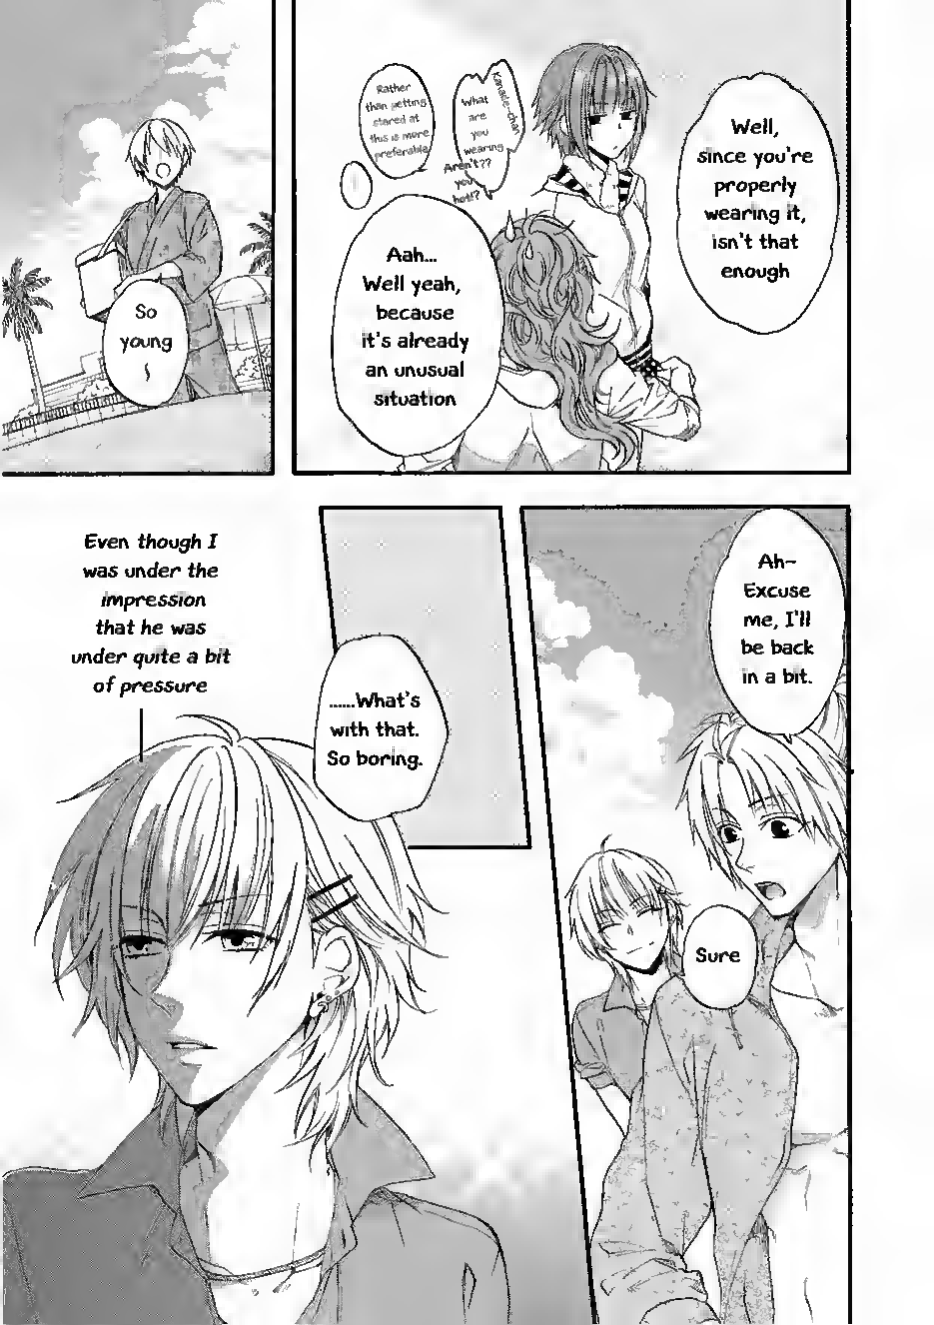
It's summer!
THE SEA!!
BATHING SUITS——ッ!!

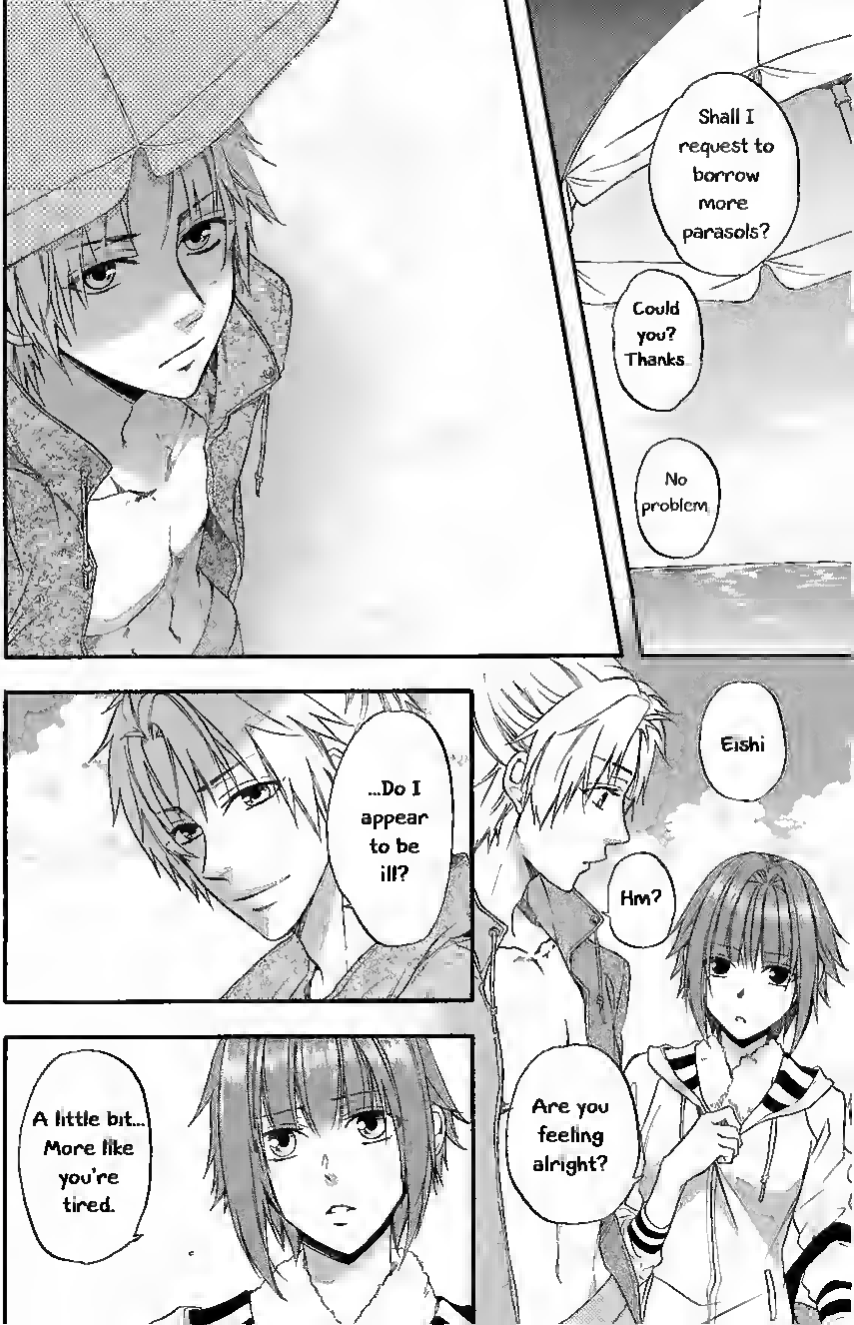
You must be kidd-ing me
AARGHHH!
...They're really in sync
They became close before I even noticed

Since you said that she bought an amazing swimsuit I got my hopes up ...
I chose a really good one for her, but...
If she covers it up there's was no point
I just found out now that she bought a proper swimsuit
Although that appearance is quite nice too...
So that's why you're grinning
EHH !?
Even though I told her to show Keigo properly too- That kid...
Although typically, when there are too many guys things get dirty, but this is just...
LALALA I CAN'T HEAR YOU...
SHIVER
Is my swimsuit no good?
Just Kidding

I'm sorry- I thought we we were going to strip or something
Don't you have a bulge in your clothing.
DON'T SAY BULGE
Kanade-chan's skin is mine
HO HO HO HO
Ugh ...
She's an iron wall
It's because Kanami Asai alluded to it.



So young
Aah... Well yeah, because it's already an unusual situation
Rather than getting stared at this is more preferable
Kanata-chan what are you wearing you, bra!?
Aren't??
Well, since you're properly wearing it, isn't that enough
Even though I was under the impression that he was under quite a bit of pressure
.....What's with that. So boring.
Ah- Excuse me, I'll be back in a bit.
Sure



Shall I request to borrow more parasols?
Could you? Thanks.
No problem.
Eishi
Hm?
Are you feeling alright?
...Do I appear to be ill?
A little bit... More like you're tired.

PAT
Haha, don't worry I'm fine! Let's swim a lot today~!
It's just that I'm a little stressed
You guys look like you're sweltering or something.
A towel-wearing club?
Well, I can't swim.
Has Keigo always not been able to swim?
It's a cooled towel
It's not exactly that I can't swim, but...
Is that so? Then, since we are going all the way to the beach, won't you swim?

Y-
Yeah
...
B-BUMP
Please?
SMILE
Don't spout non-sense
It did NOT change!
Just now Keigo's expression changed
Kya~ Keigo is lewd~

Awesome~ Thanks!
All that's left is the whale and boat but...
I blew up the beach ball and float~!
My big brother and Kotarou-san are still inflating it..
BLOW

Ugh, Why isn't it retaining the air that I blow into it.
Am I an idiot?
You're an idiot.
... Don't ask me.
BLOW
GASP
Pant
This is getting strenuous ...
You really have no lung capacity ...
Sigh
I'll take over.
Lend it to me for a bit
Th-Thank you.

There's no use getting embarassed now
That way of talking also invites misunder-standings, so please quit it
Like this it's an indirect kiss-...
Because you pointed it out, I feel gross so please stop

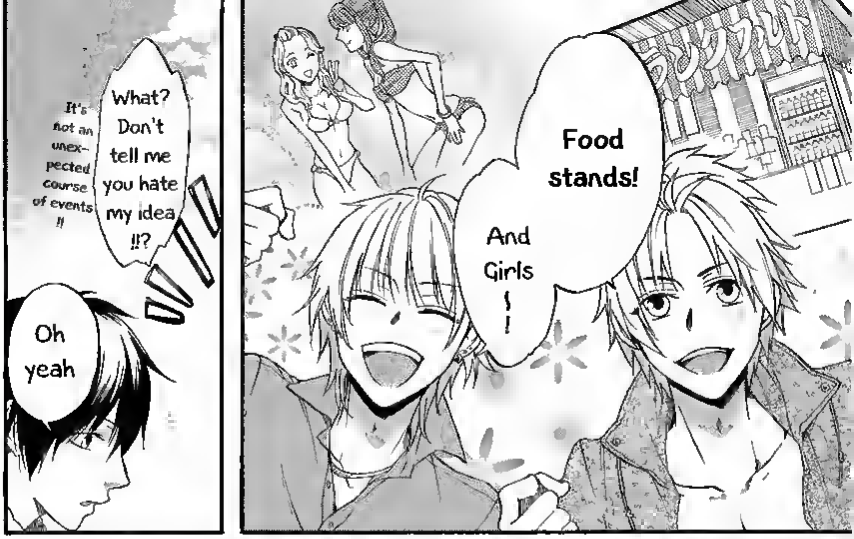
Well- at any rate, Even if he showed up in a loincloth, it would be fine.
Since this is a private beach, right?

LOIN
CLOTH
I thought that Hanzou-dono would have come in an appearance hard on the eyes, but he's dressed surupsingly normallly
Like a loin-cloth?
It probably would be a loin-cloth

WAVES ROLLING

I completely forgot that I have been living in a closet for such a long time
That's right
:

These guys were all wealthy...!
As expected of Tayoda, owning a beach for his personal use
Because we only ever go to private membership areas.
Haha
I also ordinarily don't use this beach so it's nostalgic to swim here again.
That's a shame
Even though it's a pretty sandy beach...
?
But this place is missing 'that'
The young masters of the estate also love 'that'



It's not an unexpected course of events !!
What? Don't tell me you hate my idea !!?
Oh yeah
Food stands!
And Girls !!

Yeah, I like takoyaki.
Then, how about I go buy you some later?
Does Keigo-sama also like eating from food stands ?
Now that you mention it There are no food stals around here

Sorry for the wait !

If I win, we're all going to go pick up girls
That beach nearby always has a lot of girls
That's right. Let's decide who goes fairly with a game
Isn't it an errand person's job to go and buy stuff, Kanade-chan?
But if it's just going shopping, I can just go and come back quickly...
If I win, Yamato will be prohibited from going to the neighboring beach to pick up girls
That's the obvious choice.
Let's compete
Don't go saying things like that as you please!!
Wah-
Give me the right to like Koutarou
Then if I win
MENACING

Let's have a match, Koutarou
That sort of thing Why don't you ask someone young instead.
.....
If I defeat this family head person, then you will be mine.
That's fine, right...?
What's with this group –
HUH
What– Why me!?
That guy is scary–
SHOCK
LET THE GAMES BEGIN !!
FLARING
